St. VINCENT de PAUL needs your help. Among other things St. Vincent de Paul brings food to the hungry. St. Vincent de Paul especially needs people who have backs strong enough to carry the food boxes and also needs some drivers to help deliver the food. If you are able to help, contact the parish office or one of the members of St. Vincent de Paul.

LEARN MORE ABOUT THE CATHOLIC FAITH:

If you are not Catholic and would like to learn more about the Catholic faith, or if you know someone who is not Catholic who would like to learn more about the Catholic faith, please contact Fr. Pat. This is a great opportunity for those who are not Catholic and wish to ask their questions about the Catholic Church. In the months ahead this could become an opportunity to join the Catholic Church.

INFANT BAPTISM PREPARATION

Infant Baptisms (up to age 7): If you have a child in need of baptism, contact Fr. Pat at the parish office so we can complete the necessary paperwork and the preparation class. Sixteenth Sunday in Ordinary Time
Luke 10:38-42

In today's Gospel, the story of Martha and Mary shows us the importance of making time to listen to the word of Jesus. Martha is upset because she feels she is doing all the work serving the Lord and everyone by cooking and cleaning, while Mary sits at the feet of the Lord listening to him teach. Martha complains to the Lord about her sister, Mary. Jesus tells Martha not to worry about the many things. There is need of only one thing, and Mary has chosen the better part.

How do you make time to listen to your friends and family?

When do you make time to listen to Jesus?

Pope's intention for July is for the integrity of justice: That those who administer justice may work with integrity, and that the injustice which prevails in the world may not have the last word.

The feast of St. James is July 25. This is also the traditional feast day for St. Christopher.

The feast of St. Sharbel is July 24. The Maronite Rite Catholic Church by the same name (St. Sharbel) in the Ladds Addition usually held their Lebanese Dinner on the weekend in July near the feast of St. Sharbel. It appears that this year their dinner will be on the weekend of August 17 & 18.

From Fr. Pat's Pen:

- "My E-offering" is available to receive your electronic giving at <https://members.myeoffering.com/#/landing>. An email address is required.
- We will be replacing the boiler in the church in the near future. We replaced the boiler in the parish hall a couple of years ago, improving the system with a design that did not include a boiler. The cost for this is about \$24,000. Thank you to those who donated towards this project.
- Other projects this summer include signage for the road that runs between the parish hall and child development center, better lighting between the church and parish hall, and better lighting around the child development center.
- In this season of vacations you might want to access MassTime.org or call 1-858-207-6277 to learn of Mass times in the areas you will be vacationing. When you call or go online, have the desired zip code handy.
- We are halfway through the year. How are things going for you this year?

We are once again looking for a janitor/maintenance person. Do you have any ideas and/or suggestions?

Parishioner John Riggs left for the Junior Olympics in Orange County, California, where he is participating in water polo. Please pray for a safe journey and good results.

An invitation to those who are not Catholic: if you would like to learn more about the Catholic faith, please contact Fr. Pat or Glenn to learn about the opportunities. We hope to gather enough people to establish a little group.

Val Stach is willing to continue taking the lead on the Altar Society prayer chain. Contact her at 503-775-8021.

If you have a child who needs to be baptized, please contact Fr. Pat to make the necessary arrangements.

The moon, the sun and the stars have always been a source of awe, wonder, and inspiration. In a special way we are reminded of their presence now because of the moon landing of 50 years ago. For astronauts, going to space was "a job", but it was for them also a source of inspiration and often a faith-filled experience. I've included an insert with a recent article regarding some "religious" moments in space, often prompted by awe, wonder and inspiration.

Faith Formation for Adults and Children

1-12th Grade Religious Education: Our RE classes and Sacramental Prep classes have concluded for this year. We will resume classes in September.

Bible Study: No Bible Study this Thursday, July 25.

Vacation Bible School: Our VBS went great this week all because of our awesome team!!! I want to thank Rosemary, Sharon, Steve S, Barbara, Sarah, Marie, Vicki, Steve C, Evelyn, Hannah, Levi, Jeanne, Diane, Jenny, Lorna, Henrietta, Amanda, Heidi, DeLois, Marilyn, Quynh, Marnita, Arstena, Stenar, Sean, Bailey, and Daysi. We had a blessed week together playing games, singing songs, making crafts, listening to Bible Stories and more!!! Thank you to Glenn who led the effort. Thank you to the parents who brought their children to VBS. A BIG Thank You to the children, without whom VBS would be impossible. And thank you to the Holy Spirit who continues to work in the hearts and minds of all who participated. The Greek word for "Thank You" is similar to "Eucharist". In Greek it is more like 'Eucharisto'. Eucharisto to all,

The painting of the parish hall, the rectory and the child development building is complete. Thank you for your patience while this project has been taking place. These buildings are now more structurally sound and look better with new paint. Soon we will turn our attention to the exterior needs of the church. Regarding the colors of the paint of the parish hall, the colors were chosen to go with the colors of the brick and paint of the church. A punch list has been developed (things that need to be touched up, repaired, etc). Once the punch list has been completed, the job will be done. If you know of anything that needs to be added to the punch list, please let me know.

Archbishop's Catholic Appeal: If you received a personalized commitment card in the mail, please drop it off at the parish office or drop it in the mail. Pledge envelopes are available in the church and at the parish office. St. Anthony's parish goal is \$12,644.83. We have reached 50% of our goal.

The ACA provides substantial financial support to essential ministries that support parishes in our Catholic Church in western Oregon. These programs provide education and faith formation at all levels and provide a Catholic presence for tens of thousands of people.

When we stop to count our abundant blessings, we are aware of how truly blessed we are. The ACA is an invitation to share your blessings and support for the Gospel mission here in western Oregon.

Your pledge is also a sign of your gratitude for God's generous abundance. While we can never out-do God in generosity, we are called to join in the mission of the Gospel as we put forth the gifts of life, goodness, and grace through the sharing of our own blessings from God.
