LEARN MORE ABOUT THE CATHOLIC FAITH:

If you are not Catholic and would like to learn more about the Catholic faith, or if you know someone who is not Catholic who would like to learn more about the Catholic faith, please contact Fr. Pat. This is a great opportunity for those who are not Catholic and wish to ask their questions about the Catholic Church. In the months ahead this could become an opportunity to join the Catholic Church.

August 4 Eighteenth Sunday in Ordinary Time Luke 12:13-21

In today's Gospel, Jesus is seen as a rabbi (or teacher) and is asked to settle a disagreement. A man asks him to "tell my brother to share the inheritance with me," and Jesus tells a parable about a rich man who is really concerned about saving lots of material wealth as security against hard times. Jesus wants people to understand that in God's eyes, true security is found in spiritual, not material wealth. For if we give most of our attention to material things, we don't see the needs of people around us, and therefore, don't try to help them.

This gospel tells us to avoid greed in all its forms. Where do you find greed in your daily life? How do you overcome it?

God tells the rich man that his life will be demanded of him. What demands on your life does God make? How do you respond?

From Fr. Pat's Pen:

- "My E-offering" is available to receive your electronic giving at <https://members.myeoffering.com/#!/landing>. An email address is required.
- We will be replacing the boiler in the church in the near future. We replaced the boiler in the parish hall a couple of years ago, improving the system with a design that did not include a boiler. The cost for this is about \$24,000. Thank you to those who donated towards this project.
- Other projects this summer include signage for the road that runs between the parish hall and child development center, better lighting between the church and parish hall, and better lighting around the child development center.
- In this season of vacations you might want to access MassTime.org or call 1-858-207-6277 to learn of Mass times in the areas you will be vacationing. When you call or go online, have the desired zip code handy.

We are once again looking for a janitor/maintenance person. Do you have any ideas and/or suggestions?

An invitation to those who are not Catholic: if you would like to learn more about the Catholic faith, please contact Fr. Pat or Glenn to learn about the opportunities. We hope to gather enough people to establish a little group.

Val Stach is willing to continue taking the lead on the Altar Society prayer chain. Contact her at 503-775-8021.

If you have a child who needs to be baptized, please contact Fr. Pat to make the necessary arrangements.

2019 St. Sharbel Lebanese Food Festival: A showcase of authentic Lebanese cuisine and music: come enjoy a bite of Lebanese culture! August 17-18; Saturday 2 to 8 pm, Sunday noon to 5. Serving plates or sandwiches, beer & wine garden; vegetarian and gluten-free options available. Kids' activities, games, and fun for the whole family. See the flyer on the bulletin board for more details or visit stsharbel.org. Located at 1804 SE 16th Ave, Portland (Ladd's Addition).

The painting of the parish hall, the rectory and the child development building is complete. Thank you for your patience while this project has been taking place. These buildings are now more structurally sound and look better with new paint. Soon we will turn our attention to the exterior needs of the church. Regarding the colors of the paint of the parish hall, the colors were chosen to go with the colors of the brick and paint of the church. A punch list has been developed (things that need to be touched up, repaired, etc). Once the punch list has been completed, the job will be done. If you know of anything that needs to be added to the punch list, please let me know.

Faith Formation for Adults and Children

1-12th Grade Religious Education: Our RE classes and Sacramental Prep classes have concluded for this year. We will resume classes in September.

Archbishop's Catholic Appeal: If you received a personalized commitment card in the mail, please drop it off at the parish office or drop it in the mail. Pledge envelopes are available in the church and at the parish office. St. Anthony's parish goal is \$12,644.83. We have reached 50% of our goal.

The ACA provides substantial financial support to essential ministries that support parishes in our Catholic Church in western Oregon. These programs provide education and faith formation at all levels and provide a Catholic presence for tens of thousands of people.

When we stop to count our abundant blessings, we are aware of how truly blessed we are. The ACA is an invitation to share your blessings and support for the Gospel mission here in western Oregon.

Your pledge is also a sign of your gratitude for God's generous abundance. While we can never out-do God in generosity, we are called to join in the mission of the Gospel as we put forth the gifts of life, goodness, and grace through the sharing of our own blessings from God.

The Seven Principles of Catholic Social Teaching

- 1) Life and Dignity of the Human Person - all people are sacred and made in the image and likeness of God.
- 2) Call to Family, Community and Participation - The human person is both sacred and social. We realize our dignity and rights in relationship with others, in community.
- 3) Rights and Responsibilities - People have a fundamental right to life, food, shelter, health care, education and employment.
- 4) Option for the poor and vulnerable - The moral test of a society is how they treat its most vulnerable members.
- 5) The Dignity of Work and the Rights of Workers - People have a right to decent and productive work, fair wages, private property and economic initiative. The economy exists to serve the people not the other way around.
- 6) Solidarity - We are one human family. Our responsibilities to each other cross national, racial, economic & ideological differences. We are called to work globally for justice.
- 7) Care of God's Creation - The goods of the earth are gifts from God. We have a responsibility to care for these goods as stewards and trustees, not as mere consumers and users.

WHAT IS CATHOLIC STEWARDSHIP? Stewardship is not simply making donations or taking care of the buildings and grounds. It is a spirituality, a way of life, made of four parts: receiving the gifts of God with gratitude; cultivating them responsibly; sharing them lovingly in justice with others; standing before the Lord in a spirit of accountability

Church Bulletin Bloopers—Members of the congregation who enjoy sinning are welcome to join the choir.
