If you are able to help, contact the parish office or one of the members of St. Vincent de Paul.

LEARN MORE ABOUT THE CATHOLIC FAITH:

If you are not Catholic and would like to learn more about the Catholic faith, or if you know someone who is not Catholic who would like to learn more about the Catholic faith, please contact Fr. Pat. This is a great opportunity for those who are not Catholic and wish to ask their questions about the Catholic Church. In the months ahead this could become an opportunity to join the Catholic Church.

INFANT BAPTISM PREPARATION

Infant Baptisms (up to age 7): If you have a child in need of baptism, contact Fr. Pat at the parish office so we can complete the necessary paperwork and the preparation class. The Church recommends baptizing your child within a few months of your child's birth and when the health of the child and mother permit.

August 12 19th Sunday in Ordinary Time John 6:41-51

In today's Gospel reading from the Book of John, we hear three statements in which Jesus uses the words, "I am". Note that these words are either directly from Jesus or from people complaining about Jesus. These three statements form the foundation or basis for much of what Catholics believe about the Eucharist today. The statements are: "I am the bread that came down from heaven", "I am the bread of life", and "I am the living bread that came down from heaven."

Why are these three "I am" statements so important?

Bread is one of the basic and most important foods that people eat. Is Jesus important to you? Talk about why He is important to you.

Next Coffee & Donuts (and bagels & juice) is August 19 after both Masses. Come join us!

From Fr. Pat's Pen:

- Our extra centennial mugs are \$3 for one or \$5 for two.
- Mass times in our Vicariate are posted on the tri-part bulletin board in the entry of the church. A couple of options are listed for Monday morning Mass. A list of confession times in SE Portland may also be found there.
- In this time of vacations, you might want to access Mass-Time.org or call 1-858-207-6277 to learn of Mass times in the areas you will be vacationing. When you call or go online, have the desired zip code handy.
- In this hot weather, drink plenty of water, call if you need help, check on your neighbor, avoid overheating, etc. And if you think it is hot here just remember it is hotter in that place of eternal punishment.

In the next few months we are scheduled to do extensive work on the outside of our four buildings: church, parish hall, child development building and the rectory. The expected cost of this work is about \$250,000.

This summer we will be replacing the boiler in the church. We replaced the boiler in the parish hall a couple years ago. We improved the system with a design that did not include a boiler. As I recall, the cost two years ago was about \$18,000.

We have begun fixing the ceiling lights in the church. At times there will be scaffolding in the church, and we will have less lighting while the repairs take place. This Safety First project is expected to last through August.

We are also making progress on our other Safety First projects, including the painting of the fire lane curb between the parish hall and the child development center.

William Byrd Festival | August 10-26: Cantores in Ecclesia presents the 21st annual William Byrd Festival. Admission for most events is free, with a free-will offering. Tickets for the August 10 and 26 concerts are \$25 general admission, \$20 seniors & students; they are available in advance by phone at 1-800-838-3006 or online at brownpapertickets.com. Any remaining tickets can be purchased at the door. All locations are in Portland: Holy Rosary Catholic Church, 375 NE Clackamas St.; The Old Church, 1422 SW 11th Ave.; St. Philip Neri Catholic Church, 2408 SE 16th Ave.; Trinity Episcopal Cathedral, 147 NW 19th Ave. For more information, contact Dean Apple-gate at info@byrdfestival.org or 971-227-8740.

Some upcoming dates: In the next several months we have some special dates to remember. I know of three people who are **turning 100 years old**. Marie Miller in September, Vida Stevenson in November and Elaine Falaschetti in January. Anyone else turning 100?

Faith Formation for Adults and Children

1-12th Grade Religious Education: Our RE classes are finished for this year. We will start back up again in September, 2018.

Bible Class: "The Book of Genesis". **Thursday at 9:15 am** in the parish hall. Leader: Glenn Rymsza. This class examines the richness of the imagery of Genesis in context. We are taking a break for the month of July.

Here is a recommendation from Fr. Pat: if you need to use one of the power doors to enter or leave the church or the parish hall, please use it. That's why we put them in. Otherwise, if you don't need the assistance of the power door, please use the non-power door. In a word, I think this will extend the life of the power doors, due to fewer repairs.

If you have a child who needs to be baptized, please contact Fr. Pat to make the necessary arrangements.

A special invitation to those who are not Catholic: if you are not Catholic and would like to learn more about the Catholic faith, please contact Fr. Pat or Glenn to learn about the opportunities. We hope to gather enough people to establish a little group.

Archbishop's Catholic Appeal: The ACA has received 64 gifts averaging \$101 for a total of \$6451 of our goal of \$11,611, which is 56% of goal.

Archdiocese of Portland supports the "Stop Taxpayer Funding for Abortion" Act: Through the Oregon Health Plan, Oregon taxpayers fund ten abortions every day. The Archdiocese of Portland supports the Stop Taxpayer Funding for Abortion ballot measure. If passed, this constitutional amendment would save thousands of lives and spare mothers and families from the ensuing grief that always comes with the death of a child through abortion. According to the Oregon Health Authority, approximately 3,700 abortions were publicly funded through the Oregon Health Plan in fiscal year 2015-16. Last year, Gov. Kate Brown signed HB 3391 into law to further increase taxpayer-funded abortion and require private health insurers to cover abortion without a copay.

WHAT IS CATHOLIC STEWARDSHIP? Stewardship is not simply making donations or taking care of the buildings and grounds. It is a spirituality, a way of life, made of four parts: receiving the gifts of God with gratitude; cultivating them responsibly; sharing them lovingly in justice with others; standing before the Lord in a spirit of accountability.

The Assumption of the Blessed Virgin Mary is this Wednesday, August 15. Mass times are at 9:00 am and 7:00 pm. It is a Holyday of Obligation. Catholics are "obliged" to attend Mass on this day. It is just like a Sunday.
