## Sunday, August 3 Luke 12:13-21

Luke 12:13-21 reflects on the dangers of greed and the importance of generosity, using the parable of the rich fool to illustrate the futility of accumulating wealth without regard for God or others. The passage urges listeners to examine their priorities and recognize that true fulfillment comes not from material possessions, but from a rich relationship with God and a generous spirit.

In essence, the passage encourages a shift in perspective from an inward focus on accumulation to an outward focus on generosity and love, recognizing that true life is found not in possessions but in a relationship with God.

\*In his Apostolic Exhortation, *Laudete Deum*, Pope Francis gives an urgent call to tackle the climate crisis recognizing that time is running out. Irreversible damage has already been done. In this letter Pope Francis states that the climate crisis is real and cannot be denied. It is caused by human activity.

\*Are you interested in learning about the Catholic Church? Contact Father Pat if you are interested. This is a class for people who are not Catholic.

#### Pope's Monthly Intention for August

For mutual coexistence:

Let us pray that societies where coexistence seems more difficult might not succumb to the temptation of confrontation for ethnic, political, religious, or ideological reasons.

This summer 2025, we are happy to announce that Oregon Retrouvaille is simultaneously hosting both a Spanish and an English program, the weekend of August 23-25, 2025 at Canby Grove Retreat Center in Canby, Oregon. For more information please contact the community at [Portland@retrouvaille.org](mailto:Portland@retrouvaille.org)

Retrouvaille is designed to help troubled marriages regain their health, to recover or reawaken the love, trust and commitment that brought you together.

Please pray for the Uehara Family. A young Portland mother, Ms. Ysam, died tragically on July 19. She leaves behind four young children under the age of 6 years. Lisa Uehara and the Uehara family are the closest relatives. They are taking care of the children. They can use our prayers and our assistance. If you wish to donate to help the children, a GoFundMe account has been set up. A GoFundMe account keeps about 3% for administrative fees.

Or you can donate through the Parish by making a check out to St. Anthony and putting "Ysam Fund" in the Memo line. We will not charge any Administrative fee. This donation will not appear on your donations that the Church keeps track of. I was told that this type of donation is not tax deductible. You can always talk to your tax preparer.

What the family can use most is our financial assistance. If you are not able to give financially, perhaps you can give toys, books and clothes to the children.

The children are girls age 6, 2 and 5 months old and a 4 year old boy. If you wish to give toys, books, and clothes, bring the items to Saturday or Sunday Mass.

Saint Vincent de Paul—You can always donate food items to St. Vincent de Paul. Their donation hamper is located in the entrance of the Church, across from the Rest Room.

EVANGELIZATION—Pope Paul VI, whose message "Evangelii Nuntiandi (On Evangelization in the Modern World) says that evangelizing means bringing the Good News of Jesus into every human situation and seeking to convert individuals and society by the divine power of the Gospel itself. At its essence are the proclamation of salvation in Jesus Christ and the response of a person in faith, which are both works of the Spirit of God.

Role of Laity—Laypeople in particular, play a crucial role in evangelization, as they are often the Church's presence in the world, especially in secular settings.

Role of Clergy—While the laity has the primary responsibility for evangelization, ordained clergy play a vital role in equipping and guiding the laity in their evangelizing efforts.
